## Shariah Ruling for Premium Banking Services

(Ziqat'ad 14, 1433H / October 2, 2012)

Meezan Bank's Premium Banking is a banking proposition for providing specialized shariah compliant banking services to individual customers maintaining single or joint accounts with the Bank who meet the criteria set for Premium Banking. The criteria for Premium Banking is mentioned in the Bank's Schedule of Charges and can be changed from time to time.

I am of the opinion that since the facilities provided in Meezan Bank's Premium Banking are not exclusively for any particular account, rather, it can be availed by any account holder by fulfilling its criteria, therefore these facilities are allowed as per Shariah
