By the Grace of Allah, Meezan Bank has maintained its growth momentum and recorded good results for the half year ended June 30, 2013.

We are pleased to inform that the JCR-VIS Credit Rating Company Limited, an affiliate of Japan Credit Rating Agency, Japan has upgraded the Bank's long-term entity rating to AA (Double A) from AA-(Double A minus) and short term rating at A1+ (A One Plus) with stable outlook. The short term rating of A1+ is the highest standard in short term rating. The rating indicates sound performance indicators of the Bank. Meezan Bank is the only Islamic Bank with AA credit rating in the Islamic banking industry in Pakistan.

Profit after tax of the Bank increased to Rs 1,933 million from Rs 1,844 million, resulting in growth of 5%. Profit / return on financings, investments and placements was Rs 11.4 billion during the current period reflecting in an increase of 11% from Rs 10.3 billion recorded in comparative period last year.

DIRECTORS' REVIEW

This is impressive since this increase in profitability has been achieved despite the reduction of 500 basis points in the benchmark policy rate since 2011 by the State Bank of Pakistan, which has further reduced banking spreads. In addition, the non funded income of the bank increased to Rs 1,564 million in current period as compared to Rs 1,399 million earned in comparative preceding period.

The Bank is focused on increasing its earning assets through deposits mobilization of current accounts and exploring new income avenues. Deposit growth by Rs 30 billion during the half year to Rs 260 billion as at June 30, 2013 from Rs 230 billion as at December 31, 2012 is also very commendable.

Net provisions of Rs 0.2 million for non performing financings were recorded as compared to charge of Rs 327 million made in corresponding period last year. The minimal provisions are on account of significant recoveries made by the Bank against the non-performing financings and corporate sukuks portfolio. The Bank maintains a comfortable level of provisions against non-performing financings with a coverage ratio at 119%. The focus is to build a high quality and well diversified financing portfolio.

Eight new branches were opened during the half year. The Bank's total branch network has now increased to 318 branches in 92 cities and is ranked as the 8th largest in terms of the branch network. Despite the challenging economic circumstances, the Bank plan to continue with its branch expansion approach and InshaAllah is expected to open 41 branches in aggregate in 2013. This will increase the total number of branches to 351 in 101 cities of Pakistan.

Administrative and operating expenses increased from Rs 3,439 million to Rs 4,008 million primarily due to higher staff expenses, rent, electricity and fuel charges and other costs associated with branch expansion, an investment which has paid off well, as evident from strong growth in deposits over the period.

The Bank's earnings per share was Rs 1.93 (June 2012: Rs 1.84) on enhanced share capital of Rs 10 billion. Accordingly, the Bank has met SBP minimum capital of Rs 10 billion required to be completed by December 2013, a year in advance.

The Board has approved 15% (Rs 1.50 per share) interim cash dividend for 2013. The Bank has unbroken payout record since the Bank's listing on Stock Exchange in the year 2000.

The election process in the country is now over and new federal government is focused on resolving economic challenges being faced by the country, primarily the energy shortages. The government has taken some concrete steps to resolve circular debt in energy sector. We foresee growth in industrial and business activities in coming periods which will enable the Bank to grow its financing portfolio.

The Board would like to express its sincere thanks and gratitude to the State Bank of Pakistan, the Securities and Exchange Commission of Pakistan and our Shariah Supervisory Board for their continued guidance and support. We also take this opportunity to thank our valued customers for their patronage, the shareholders for their continued support and to the staff for their continuous efforts to make Meezan Bank a success.

May Allah Almighty give us the strength and wisdom to further expand our vision of establishing Islamic banking as banking of first choice.

On behalf of the Board

Our responsibility is to express a conclusion on this condensed interim financial information based on our review. The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for the quarters ended June 30, 2013 and 2012 have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2013.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as at and for the half year ended June 30, 2013 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

FINANCIAL INFORMATION (UN-AUDITED) FOR THE HALF YEAR ENDED JUNE 30, 2013

3. STATEMENT OF COMPLIANCE

- 3.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan, as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984, the Banking Companies Ordinance, 1962, and the directives issued by the Securities and Exchange Commission of Pakistan (SECP) and the State Bank of Pakistan (SBP). In case the requirements differ, the provisions of and the directives issued under the Companies Ordinance, 1984, the Banking Companies Ordinance, 1962, and the directives issued by the SECP and the SBP prevail.
- **3.2** The disclosures made in this condensed interim financial information have been limited based on the format prescribed by the SBP through BSD Circular Letter No. 2 dated May 12, 2004 and the requirements of International Accounting Standard 34, "Interim Financial Reporting". They do not include all of the information required for a full set of annual financial statements and this condensed interim financial information should be read in conjunction with the financial statements of the Bank for the year ended December 31, 2012.

3.3 Change in accounting policy and disclosure

IAS 19 (revised) 'Employee benefits' effective for annual periods beginning on or after January 1, 2013 amends the accounting for employee benefits. The standard requires immediate recognition of past service cost and also replaces the interest cost on the defined benefit obligation and the expected return on plan assets with a net interest cost based on the net defined benefit asset or liability and the discount rate, measured at the beginning of the year.

Further, a new term "remeasurements" has been introduced. This is made up of actuarial gains and losses, the difference between actual investment returns and the return implied by the net interest cost. The standard requires "remeasurements" to be recognised in the Statement of Financial Position immediately, with a charge or credit to other comprehensive income in the periods in which they occur.

Following the application of IAS 19 (revised), the Bank's policy for Staff Retirement Benefits - Defined Benefit Plans stands amended as follows;

The Bank operates a funded gratuity scheme for all its permanent employees who have completed the minimum qualifying eligible period of service of three years. The benefits under the gratuity scheme are payable on death, resignation or at retirement. The scheme was approved by the tax authorities in April, 2000 and the latest actuarial valuation was conducted as at December 31, 2012. Contributions to the fund are made on the basis of actuarial recommendations. Projected Unit Cost method is used for the actuarial valuation. The amount arising as a result of remeasurements are recognised in the Statement of Financial Position immediately, with a charge or credit to Other Comprehensive Income in the periods in which they occur.

The change in accounting policy has been accounted for retrospectively in accordance with the requirements of IAS 8, 'Accounting Policies, Changes in Accounting Estimates and Errors' and comparative figures have been restated.

The Bank's condensed interim financial information is affected only by the 'remeasurements' relating to prior years. The effects have been summarised below:

The Bank had not recognised any amounts in respect of remeasurements in the profit and loss accounts for the years ended December 31, 2011 and 2012. Therefore, there is no impact of this change on the profit after taxation and earnings per share for those years. The Bank follows a consistent practice to conduct actuarial valuations annually at the year end. Hence, the impact on this and comparative condensed interim financial information are not quantifiable and are also considered immaterial.

3.4 Other standards, interpretations and amendments to published approved accounting standards that are effective in the current period

The Securities and Exchange Commission of Pakistan (SECP) has notified Islamic Financial Accounting Standard (IFAS) 3, 'Profit and Loss Sharing on Deposits' issued by the Institute of Chartered Accountants of Pakistan. IFAS 3 shall be followed by the Bank for the purpose of preparation of financial statements for the year ending December 31, 2013 while accounting for transactions relating to 'Profit and Loss Sharing on Deposits' as defined by the said standard. The standard is effective from June 12, 2013 and has no impact on this condensed interim financial information. The standard would result in certain new disclosures in the annual financial statements for the year ending December 31, 2013.

There are other new and amended standards and interpretations that are mandatory for the Bank's accounting periods beginning on or after January 1, 2013 but are considered not to be relevant or do not have any significant effect on the Bank's operations and therefore not detailed in this condensed interim financial information.
