Second step: Find participating lounges & more information regarding your access.

From the home page, the Cardholder can select which airport they want to view in the available lounges. The Cardholder can then select one of the lounge options listed under 'Benefits'.

The list of available lounges will be displayed. To obtain more details about a specific lounge, the Cardholder should select the lounge they are interested in.

The lounge details that will be presented include images, opening hours, location and directions, amenities, and a brief description.
