

Campaign Terms & Conditions – Send. Support. Win.

Eligibility and Selection

- a) For a period of three (3) months, Meezan Bank will select a total of fifteen (15) remittance recipients (referred to as "beneficiaries") each month based on the highest remittance volume remitted to them through Remitly to their Meezan Bank account in a single transaction. These beneficiaries will be gifted a high-quality mobile phone as a token of appreciation.
- b) This offer is exclusively available to beneficiaries who are customers of Meezan Bank. No third-bank accounts or beneficiaries from other banks will be eligible for this offer.
- c) Only those beneficiaries who receive remittances through Remitly are eligible to participate in this campaign.
- d) If a beneficiary is selected during any given month within the offer period, he/she will not be eligible for selection again for the remainder of the offer period despite having the highest remittance volume.

Offer Period

The offer will commence on 1st June 2025 and remain valid until 31st August 2025.

Intimation of Selection

- a) The relevant branches of Meezan Bank will reach out to the selected beneficiaries to confirm their willingness to collect the gift from the branch and convey this information to the head office.
- b) Upon receiving the mobile phone from the head office, the branch will again contact the beneficiary to inform them that the gift is ready for collection.

Gift Collection Period

- a) The beneficiary is required to collect the gift within one (1) month from the date of contact by the bank. Failure to collect the gift within this period will disqualify the beneficiary from claiming the gift.
- b) In the event of the beneficiary's unavailability, they may nominate a close relative to receive the gift on their behalf. If no such nominee is assigned, the Bank reserves the right to give the gift to the next highest remittance beneficiary.
- c) If the Bank is unable to establish contact with the selected beneficiary within one (1) week of selection, it reserves the right to proceed with the next individual on the list of highest remittance beneficiaries.

General Terms

The Bank reserves the right to amend these terms and conditions without prior written notice.
