

Justice

Justice is one of the principal values of the Islamic faith. For a peaceful society, justice must be applied to all without any differentiation or favoritism. Allah has commanded faithful administration of justice and has urged mankind to dispense and be witnesses to justice on all. **Allah says: “O ye who believe! Stand out firmly for justice, as witnesses to Allah, even though it be against yourselves or (your) parents or kindred...”** (Surah An-Nisa 4:135)
