

Protection of Life & Property

Islam provides basic human rights to an individual including the right to life, safety and protection of honour. As Islam obligates Zakat and Sadaqa, it enjoins upon its followers economic rights towards the less privileged and commands them to extend help to the needy. Islamic values consider assault upon human life as a heinous crime. **The Prophet ﷺ said to the Ka'bah '...how great you are and how great your sanctity. By the One in Whose Hand is the soul of Muhammad ﷺ, the sanctity of the believer is greater before Allah than your sanctity...'** (Sunan Ibn Majah:3932) Meaning the sanctity of one's life and wealth is precious and it is also forbidden to be suspicious of him.
