

# Cleanliness

Cleanliness is one of the important factors to judge a civilization or society's development. Islamic culture attaches great importance to cleanliness through explicit guidelines in the Holy Quran and Sunnah. Cleanliness in Islam refers to both bodily hygiene as well as spiritual purity and the Prophet ﷺ has taught us to practise both. There are many verses in the Holy Quran that reflect the importance of cleanliness. **Allah says: "Truly Allah loves those who turn to him constantly and he loves those who keep themselves pure and clean."** (Surah Al Baqarah 2:222)

The Messenger of Allah ﷺ said: "Cleanliness (Tahaarah) is half of faith." (Sahih Muslim:223)
